Action Item

Item Title: Consider approval of a Resolution to Renew the Wrecker/Towing Service Agreement Between the City of Forney and Buster's Automotive for 2020

How this item ties-in with the City's Mission, Vision and Values:

This resolution and extended contract allows the City to retain necessary towing services under the same terms and conditions as the existing contract.

Summary Statement

The City of Forney has an existing agreement with Buster's Automotive to provide wrecker and towing services when called upon by City officials for incidents occurring within the city limits and emergency response area. Representatives of Buster's Automotive have expressed a willingness to renew the agreement for next year without any changes. The Police Department recommends renewing the agreement for 2020.
