

City Council Agenda Item Summary Report

Meeting Date:
January 7, 2020

Submitted by:
Deborah Woodham, Director of Finance and
Human Resources

Item Title:

Discuss and consider approval of a market adjustment for Community Waste Disposal for the solid waste collection and recycling services agreement.

Consent Item []
Public Hearing Item []
Action Item []

Documentation Attached:
CWD Letter and documentation

Recommended Action:

Staff recommends approval of the market adjustment.

Item Summary:

The contract with CWD for solid waste collection and recycling services allows for an annual market rate adjustment. CWD is requesting a 1.34% increase due to the increasing cost of disposal, diesel fuel, and landfill. The new rates paid by the City to CWD would be effective February 1, 2020.

Residential rates were increased 5% during the budget process in anticipation of the market adjustment.

Staff recommends approval of the market adjustment.
