Re: Recommendation to Accept Public Improvements
Lady Liberty Monument
City of Forney, Texas

Dear Ms. McQuiston:

The Lady Liberty Monument project has been completed and in use by the city. Based on the information provided to FMI and our observations, it appears that the project was constructed in accordance with City of Forney requirements and in compliance with TXDOT standards.

The contractor has submitted the affidavit of all bills paid, the consent of surety to final payment, as-built drawings and final pay estimate to the city. FMI will prepare the record drawings and submit to the city as part of the CME documentation. It is understood that the two-year project warranty period will begin upon acceptance by city council at the February 18, 2020 meeting.

Sincerely,

FREEMAN - MILLICAN, INC.
