

City Council Agenda Item Summary Report

Meeting Date: February 18, 2020

Submitted by: Kyle Rouvaldt, Parks and Recreation Director

Consent	Public Hearing	Action Item X
Item Title: Discuss and Consider a Resolution awarding a contract with R&P Hunt Brothers for the Forney Parks and Recreation maintenance and fertilization.		

How this item ties-in with the City's Mission, Vision and Values:
Improve the quality of life through park improvements.

Summary Statement

In late 2019, the City of Forney and Forney Independent School District mutually agreed to cancel the ongoing interlocal agreement. The cancelling of this agreement impacted the amount of acreage that would be maintained by contractors with the subtraction of fields at Henderson Elementary, the Administration Football field and several others.

On January 24, 2020, the City released an RFP for parks landscape maintenance. The sealed bids were open on February 11, 2020 and the review and scoring was completed on February 12, 2020.

The scoring criteria, landscape maintenance chart, and scope of services can all be found within the RFP. Also attached are the final scores provided.
