Re: Recommendation to Accept Public Improvements
City of Forney 2020 Street Improvements Project

Dear Mr. Bowers,

All the necessary closeout documents have been received for this project; it appears that the project was constructed in accordance with the City of Forney design requirements. The City recommends acceptance of the 2020 Streets Improvement project.

The two-year project warranty period will begin upon City Council acceptance at the November 17, 2020, City Council meeting.

Sincerely,

A handwritten signature in black ink, appearing to read "Karl Zook".

Karl Zook, P.E.
City Engineer
