RE: Recommendation to Accept Public Improvements  
7-Eleven

The public infrastructure for the 7-Eleven project at FM 548 and Gateway Blvd has met the City of Forney design standards, with all punch list items being addressed and the CME book delivered and accepted. The public improvements include:

Concrete Paving, Storm Sewer, Sanitary Sewer and Sidewalk.

The City did receive a letter from High Point SUD approving the water improvements.

The Engineering Department recommends acceptance of the public improvements at this time.

If you have any questions feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Karl F. Zook".
