8. Termination of Agreement by FEDC Without Default. FEDC may terminate this Agreement without an Event of Default by Applicant and effective immediately if any state or federal statute, regulation, case law, or other law renders this Agreement ineffectual, impractical or illegal.

Termination of this Agreement by FEDC under this Paragraph 8 shall render this Agreement null and void from that point forward with each party having no further rights against each other under this Agreement or at law; provided, however, that (i) Applicant shall be entitled to receive from FEDC any financial assistance due Applicant through the date of termination; and (ii) FEDC and Applicant agree to negotiate in good faith a remedy that preserves the intent of the parties hereunder as much as reasonably possible under applicable state law.

If any claim, demand, action or cause of action is asserted against any FEDC Indemnitee, such FEDC Indemnitee shall promptly notify Applicant, but the failure to so promptly notify Applicant shall not affect Applicant’s obligations under this Paragraph unless such failure materially prejudices Applicant’s right to participate in the contest of such claim, demand, action or cause of action, as hereinafter provided. If requested by Applicant in writing, as long as no Default or Event of Default shall have occurred and be

continuing, such FEDC Indemnitee shall in good faith contest the validity, applicability and amount of such claim, demand, action or cause of action and shall permit Applicant to participate in such contest. Any FEDC Indemnitee that proposes to settle or compromise any claim, demand, action, cause of action or proceeding for which Applicant may be liable for payment of indemnity hereunder shall give Applicant written notice of the terms of such proposed settlement or compromise reasonably in advance of settling or compromising such claim or proceeding and shall obtain Applicant's concurrence thereto.
