Item Title: Discuss and consider approval authorizing the City Manager to enter into a contract for Forensic Auditing Services.

Summary Statement

Resolution will allow the City Manager to execute and agreement with the council approved provider of Forensic Audit Services.

Staff received six responses to the RFQ and formed a three-person review committee, consisting of Peter Morgan, Kyle Groves and Chief Eudy, to narrow the proposals to the final three for council to select from.

Staff has worked with the three firms to provide a zoom meeting for council to ask questions and seek feedback from the firms in order to make a final selection. Upon final selection the City Manger will work with the firm to enter into a final contract for services.

Staff recommends council provide the final selection from the top three proposals based upon the review committee.
