The purpose of this grant was for projects that were seeking to prevent, prepare for, and respond to the coronavirus. Available Federal Funds were authorized under Division B of H.R. 748, Pub. L. No. 116136 (Emergency Appropriations for Coronavirus Health Response and Agency Operations); 28 U.S.C. 530C. CESF funds were made available through a Congressional appropriation to the U.S. Department of Justice, Bureau of Justice Assistance. All awards were subject to the availability of appropriated federal funds. Texas was to have made approximately \$37.8 million available to local units of government through regionally based allocations using the Regional Councils of Governments boundaries.

Basically, this is where the additional covid pay for police and fire came from as well as PPE supplies.
