Attachments: Resolution Contract Proposal - Reviewed by Legal			

Item Summary:

EIKON Consulting Group, LLC. is being contracted for architectural / engineering services for CIP 215 project - Fire Station No.1 Renovation Improvements.

The project will entail a makeover of the second-floor restrooms, kitchen, and living area. Also included is to construct and install an area for covered parking behind the station to allow for securing and protection of apparatus/vehicles.

The City is seeking to engage EIKON Consulting Group, LLC. to provide these professional architectural / engineering services following a review of their qualifications.

The scope of services includes detailed design, bidding, contract, and construction administration services for the renovations of Fire Station No.1.

The contract rate is not to exceed \$48,500. Any additional services beyond the original scope of work are subject to review and acceptance by the City Manager before any costs are incurred.

Staff recommends approval of the Resolution.
