RE: Recommendation to Accept Public Improvements
Vantrust Gateway Industrial Addition

The public infrastructure for the Vantrust Gateway Industrial Addition project has met the City of Forney design standards, with all punch list items being addressed and the CME book delivered and accepted. The public improvements include:

Storm Sewer and Paving

Water improvements for this project is located within the Talty SUD CCN, Talty has accepted all water infrastructure that would be considered public.

The Engineering Department recommends acceptance of the public improvements at this time.

If you have any questions feel free to contact me.

Sincerely,

Karl F. Zook, P.E.
City Engineer
