Item Title: Discuss and consider board and commission appointments: *Building Standards Commission Board and the Park and Recreation Board.*

Summary Statement

The City Charter provides the authority for the City Council to create and establish boards and commissions and make appointments to those boards and commissions. Only individuals who are qualified voters (*a qualified voter is someone who lives within the city limits and is a registered voter*) in the City may be appointed to serve on a statutory board, commission or committee. They must have lived within the city limits for at least six months prior to appointment.

As a result of the appointments, the Alternate Member 4 position on the Building Standards Commission is vacant. The member was appointed to a regular member position on that board.

At the July 5, 2022, City Council meeting, the appointment for Member 2 of the Parks and Recreation Board was tabled to this meeting.
