Item Title: Consider a Resolution approving a General Services Agreement with Freeman-Millican, INC to help assist with water modeling needs.			
Attachments: Resolution General Services Agreement			

Item Summary: Freeman- Millican is being contracted to provide general engineering consulting services to review and update the existing water model, propose updates as new developments are constructed, and provide historical information related to engineering projects for the City. The model was last updated in 2018.

The contract rate is not to exceed \$15,000 for the rest of FY 2022; if additional services are needed beyond that amount, the additional fee will be reviewed and approved by the City Manager before proceeding.

The funding has been approved in the FY 2022 Engineering Department Budget.
