The preliminary plat consists of one lot and 11.46 acres of land. The preliminary plat provides the fire lane layout for the development and establishes the necessary easements for development. Water easements and utility easements are provided throughout the property. The preliminary plat meets the requirements of the City of Forney Subdivision Ordinance.

The developer will be responsible for paying fees-in-lieu of a land dedication and park development fees

totaling \$181,200. This payment would be required before the final plat is recorded.

Access to Bellagio Parkway and Laguna Vista Drive is provided.

Future Requirements:

If approved, future development of the property will require approval of:

2. Building Plans (staff approved)

Recommendation:
