Current Standards:

The 13.468-acre property is currently vacant and undeveloped. The property is zoned within the Meadow Ridge Farm Planned Development (Ordinance No. 13-04). The ordinance that governs this property was approved by City Council on February 19, 2013. An amendment (Ordinance No. 18-35) that permits multi-family developments up to 24 units per acre was approved by City Council on September 18, 2018.

Ordinance 18-35 also set the following limits for the Planned Development:

1. The total number of residential dwelling units is 5,000
2. Out of the 5,000 total units the maximum number of multi-family units is 3,250.

3. The City shall not issue permits for more than 650 individual multi-family residential units within any 2-year timeframe

The property is bordered by the already completed multi-family phases to the northwest and to the northwest.

Site Plan:

The site plan displays 314 multi-family units within five (5) buildings. The 23.31 units per acre density is permitted by right on this property. There are 188 one-bedroom units, 108 two-bedroom units, and 18 three-bedroom units proposed, and a club house is in building 1. The central mail center is located close to building 1.

The building elevation plan shows that brick, and siding is the primary exterior construction material, with limestone used for the clubhouse area. The primary exterior construction material of the garage structures will be brick and siding. Each of these materials is accepted by the International Building Code.

The parking includes 249 uncovered spaces, 72 carport spaces and 118 garage spaces. There is 12 clubhouse parking spaces provided as well. Parking is provided at a rate of 1 space per one-bedroom unit and 2 spaces per two-bedroom unit. Sidewalks and bicycle racks are provided throughout the property.

The landscape plan meets the requirements listed in Ordinance No. 13-04 and the Zoning Ordinance.

Accessibility:

Connectivity is provided with access to North Gateway Boulevard, Street A, the private roads around the perimeter of the property.

Future Requirements:

If approved, future development of the property will require approval of:

1. Civil Plans (staff approved)
2. Building Plans (staff approved)

Recommendation:

On September 1, 2022, the Planning and Zoning Commission recommended approval by a vote of 3 (Helm, Lemons, Wilson) to 1 (Rosenberg).
