Item Title: Discuss and consider action regarding a Resolution approving an Interlocal Agreement between the City of Forney and the Board of Trustees of the Forney Independent School District for the widening of Ranch Roach from 740 FM to just north of Innovation Boulevard.			
Attachments: Resolution Interlocal Agreement Exhibit A			

**Item Summary:**

It has been determined that a segment of Ranch Road from FM 740 to just north of Innovation Boulevard will be widened from a two lane street to a four lane street, all within the City's right-of-way.

Forney ISD shall be responsible to construct, or cause to be constructed, the expansion as set forth in the construction plans and drawings to be prepared by the City's engineer. The City will be responsible for all costs and expenses for the City's engineer.

The total construction cost, including the fees for Forney ISD's construction manager-agent, is to be determined at the time Forney ISD puts the project out for procurement. The City represents and warrants that costs for the project are within the City's current budget and funds have been set aside for this project. The City hereby agrees to waive any and all permitting and planning fees for the project, and if not waived, the City is responsible for reimbursing Forney ISD for said costs.

Upon completion of the project, the City will be responsible for all future improvements, repairs, and maintenance to said portion of Ranch Road, as it is a City road.

Staff recommends approval of this resolution.
