Item Title: Consider a Resolution awarding a contract to AUI Partners, LLC for the Police Station Dispatch Renovation Project - CIP 228 and all related issues.			
Attachments: Resolution Supporting Documentation - Award Letter Estimated Budget			

Item Summary:

Scope of Work: This project aims to expand the current dispatch center to provide service to the City's growing community and the Forney Independent School District. This renovation will allow two additional consoles for a total of four consoles. To facilitate this change, we will move the current office dedicated to the communications supervisor to a different location and the dispatch restroom. This area will allow additional space for the two extra consoles.

The request for proposals was published in the Forney Messenger, the City of Forney website, Civcast Bid System (Bid Management & Online Bidding for government agencies), and other various sources. Qualified proposals were received until February 7, 2023, for this project. There was a total of five proposals received. The proposals graded were based on the scoring criteria detailed in the RFP by staff members and consultants. AUI Partners, LLC was the respondent with the highest score to meet each required category and the best design proposed to meet the City of Forney's needs.

Approved Funding Source: General CIP Fund

Staff is recommending approval of a contract with AUI Partners, LLC, in the amount of \$352,496.00 for the construction renovation services for this project.
