Item Title: Consider approval and acceptance of bid in regards to RFP# 2023-002, Audio Video Council Chambers RFP

Summary Statement

The proposed upgrades, amounting to \$149,535.94, will significantly enhance the functionality and overall experience of audio, video, and remote meetings in this area. These improvements will better cater to the needs of council and committee members, as well as the wider public who frequently utilize this space for various meetings and events.

\$120,000 will come from capital improvements and \$30,000 will come from IT operating expenses.
