Item Title: Consider approval of modifications to the existing school zone limits for Willett Elementary on Gateway Blvd.			
How this item ties-in with the City’s Mission, Vision and Values: Providing a safe environment for the community			
Attachments: Supporting Documentation			

**Item Summary:** The Forney Independent School District opened the Willett Elementary School located in the Gateway Parks subdivision in Fall 2022. As part of traffic safety requirements, the City established a new school zone along Gateway Blvd and adjoining local streets. Based on reevaluating the standard distances for school zone signage related to other traffic control devices at school crossing locations, it is necessary to extend the northern limit of the school zone by 100 feet. The attached exhibit reflects this modification.

Staff recommends approval of this modification.
