RE: Recommendation to Accept Public Improvements
NAV Central Project

The public infrastructure for the NAV Central project has met the City of Forney design standards, with all punch list items being addressed and the CME book delivered and accepted. The public improvements include:

Water Infrastructure (Fire Protection loop).

The Engineering Department recommends acceptance of the public improvements at this time.

If you have any questions feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "T. John Casey".

T. John Casey, P.E., C.F.M.
City Engineer
