RE: Recommendation to Accept Public Improvements
Gateway Parks Phase 4A Subdivision

The public infrastructure for the Gateway Parks Phase 4A subdivision project has met the City of Forney design standards, with all punch list items being addressed and the CME book delivered and accepted. The public improvements include:

Sanitary Sewer, Storm Sewer and Paving. The project is located within the Talty WSC's CCN, and will be served by them.

The Engineering Department recommends acceptance of the public improvements at this time.

If you have any questions feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "T. John Casey".

T. John Casey, P.E., C.F.M.
City Engineer
