RE: Recommendation to Accept Public Improvements
Wildwood Blvd

The public infrastructure for the Wildwood Blvd (Phase 1 Trailhouse Park) project has met the City of Forney design standards, with all punch list items being addressed and the CME book delivered and accepted. It should be noted that Wildwood Blvd itself is not a public street, it is an access easement and fire lane, but there are public utilities beneath it. The public improvements include:

Sanitary Sewer, Water, and Storm Sewer

The Engineering Department recommends acceptance of the public improvements at this time.

If you have any questions feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "T. John Casey". The signature is stylized and cursive.

T. John Casey, P.E., C.F.M.
City Engineer
