VI. DISCUSSION ONLY ITEMS

1. Discussion on joining the North East Texas Library Consortium for access to the Digital Library.

IT Director Neil Cardwell discussed this item. Staff is looking for guidance on joining the North East Texas Library Consortium for access to a Digital Library. The contract with the Consortium would allow the City of Forney to join the Consortium for an initial period of 2 years at a cost of $3,000 per year. The IT department would work with the vendor “OverDrive” to setup a webpage on our City Website that would allow the creation of a “Digital Library Card” that would then allow them access to the Digital Library that all members of the Consortium have access to.

It would take several weeks to implement and would be open only to the citizens of Forney. Council directed Mr. Cardwell to explore this further and to bring back a contract for approval at a later date. No action was taken by Council at this time.
VII. DISCUSSION / ACTION ITEMS

1. Discuss and consider a Resolution approving an Interlocal Cooperation Agreement between the City of Forney and Kaufman County pursuant to Section 242.001 of the Texas Local Government Code for the regulation of subdivision plats and related permits in the extraterritorial jurisdiction of the City of Forney.

City Attorney Jon Thatcher discussed this item. The intent of the City subdivision rules and regulations are to guide the growth of the City in an orderly manner, to provide attractive and planned subdivisions, and to ensure the provision of adequate streets, utilities and building sites. Consistent application of these regulations insures that land developed today will not become a burden on the general public in the future.

Under Chapter 212 of the Texas Local Government Code, the City is empowered to adopt rules that govern plats and subdivisions of land within the City and with the ETJ. The City’s Subdivision Ordinance states that this ordinance shall govern all subdivision of land within the City and within the ETJ. Under Chapter 242 of the Texas Local Government Code, cities and counties must enter into an Interlocal Agreement granting review and approval authority of subdivisions in the ETJ to allow for clarity of process to the individual applicant/developer. Currently, the City of Forney and Kaufman County have such an agreement in place.

The agreement outlines the duties of both the City and the County regarding subdivision regulations in the City’s ETJ. Under this agreement, the City of Forney is responsible for enforcing its subdivision regulations within its ETJ. Kaufman County agrees that it shall not enforce its subdivision regulations within the ETJ of the City.

The proposed agreement would supersede the current agreement for subdivision regulations in the ETJ. The proposed agreement provides additional detail regarding certain items including road development and acceptance as well as floodplain regulation controls. Such matters are not clearly outlined in the current agreement. As proposed, the City will be the controlling authority for floodplain controls within the City’s ETJ. Additionally, the City will continue to enforce its subdivision rules and regulations in its ETJ. However, for any streets not to be considered private streets in a new subdivision, the County shall review the plans for all streets as they will be tasked with accepting the thoroughfares not in the City’s corporate limits for maintenance purposes and responsibilities. The agreement requires clear and additional communication between the parties when there is proposed development in the City’s ETJ. The proposed agreement will carry a term until December 31, 2021, where it will renew for additional two-year periods unless otherwise terminated by the parties as provided for in the agreement. Staff recommends approval of the agreement.

Mayor Penn called for a motion. Mayor Pro Tem Myers made a motion to approve the Resolution and Council Member Johnson seconded the motion. The motion passed by a vote of 5 ayes and 2 absent [Thomas and Powers].

2. Discuss and consider board and commission appointments: North Texas Municipal Water District; Planning & Zoning Commission, and all related issues.

City Secretary Brooks discussed this item. We received notice from the North Texas Municipal
Water District that John Carr’s term on their Board ends on May 31, 2020. Mr. Carr stated that he would like to be consider for reappoint to the Board. If reappointed, his term would be from June 1, 2020 to May 31, 2022.

On March 17, 2020, Brigham Wilcoxson resigned from the Planning and Zoning Commission due to increased job duties. His term would have ended 6/30/2020. Appointments made to fill a vacancy are only to complete the term of office for that position.

Mayor Penn called for a motion for the NTMWD appointment. Council Member Johnson made a motion to reappoint John Carr to the NTMWD Board and Council Member Cooper seconded the motion. The motion passed by a vote of 5 ayes and 2 absent [Thomas and Powers].

Mayor Penn called for a motion to fill the vacancy on the Planning and Zoning Commission. Mayor Pro Tem Myers made a motion to appoint Greg Helm to fill the vacancy with a term ending June 30, 2020 and Council Member Johnson seconded the motion. The motion passed by a vote of 5 ayes and 2 absent [Thomas and Powers].

3. Discuss and consider action related to the Declaration of State of Disaster and Public Health Emergency, and all related issues.

City Manager Carson stated that Staff is looking for recommendations by the Council on (1) Opening of the Park; (2) Playground equipment and Basketball Courts; (3) Splash Pad; (4) opening of City Hall; and (5) the June Summer Concerts.

After a short discussion, Staff was directed to (1) open the Park on Friday, May 22; (2) open the Playground equipment and Basketball Courts on Friday, May 22 and notify the citizens that the Playground equipment and Basketball Courts will not be sanitized; (3) the Splash Pad will not be reopened at this time; (4) City Hall will reopen on Tuesday, May 26; and (5) we will cancel the June Summer Concerts. Staff will get social distancing information out on social media and it is the citizens’ responsibility to conform to the social distancing requirements. It will be up to the Layden Center to determine if they will reopen at this time.

Council took no formal action on this item.
