It shall be unlawful to use or occupy or permit the use or occupancy of any building or premise created, erected, changed, altered, or enlarged in its use or structure until a Certificate of Occupancy has been issued by the Administrative Official. A permit becomes null and void if work or authorized construction is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after permit is issued. ALL Permits REQUIRE Final Inspection.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provision to any other state or local law regulating construction of the performance of construction.
