

## **GOLF CART / ATV ON ROADWAY**

### **Golf Carts / Neighborhood Electric Vehicles (NEV)/ Slow Moving Vehicles (SMV)**

The operator must have been issued and possess a valid Texas Driver's License and insurance related to the golf cart, slow moving vehicle, or neighborhood electric vehicle. (Must present upon demand by a peace officer)

The cart must be equipped with the following:

- Two headlamps and two tail lamps
- Side reflectors (2 front, amber in color, and 2 rear, red in color)
- Parking brake and a rearview mirror with an unobstructed view of at least 200 feet to the rear
- Slow-moving vehicle emblem on the rear of the vehicle

Additionally, no person may stand or be seated in the lap of another while being operated on a public street. The golf cart, NEV, or SMV can only be operated on a public street between the hours of 6:00 a.m. and 9:00 p.m. These vehicles can only be driven on a public street with a maximum speed limit of 35 miles per hour.

Cannot be operated on or in any public park, sidewalk, walkway, jogging path, park trail, or any other public owned or controlled property normally used for pedestrian traffic.

The driver shall move to the right of the public street and yield the right-of-way to faster-moving vehicles.

Shall not overtake and pass in the same lane occupied by the vehicle being overtaken.

Shall not drive between lanes of vehicles or adjacent lines or rows of vehicles.

A driver shall cross a multi-lane federal, county or state route only at an intersection controlled by an official traffic-control device (stop signs/stop lights) which stops traffic from all directions.

Shall not operate with more occupants than number of seats.

May not use for the purpose of towing another cart, trailer or vehicle, nor a person on roller skates, skateboard or bicycle.

**ATVs / Off-Highway Vehicles are NOT AUTHORIZED to be driven on public streets, sidewalks, or other public grounds within the City Limits.**
